Every effort will be made to handle these issues quickly, courteously and fairly. All employees are reminded that everyone in the community has the right to express concerns about transit operations. One should also remember that the mere allegation of impropriety, however, does not establish proof that a violation has occurred. Every effort will be made to address and resolve customer complaints as quickly as possible but certainly within fifteen (15) business days.</p> <p>Specifically, a "complaint" is an allegation by a member of the public that there has been a specific violation, misinterpretation, or inappropriate act by a member of West Alabama Public Transportation. Vague or general charges of "unfairness" that are not substantiated by facts will not be processed through the dispute resolution system.</p> <p>All complaints will be referred to EXECUTIVE DIRECTOR, West Alabama Public Transportation for investigation and resolution. Complaints specifically alleging inappropriate behavior by management personnel of West Alabama Public Transportation will be referred to the Chief Executive Officer of the West Alabama Public Transportation. The following steps are established to provide a framework for handling these issues.</p> <p>Step One – The complaint is received by West Alabama Public Transportation. Sufficient information is collected to allow an investigation and the individual is to be thanked for bringing the matter to the attention of the West Alabama Public Transportation. Upon receiving the complaint, we will neither be defensive nor argumentative.</p> <p>Step Two – Manager/CEO, West Alabama Public Transportation will investigate the facts, as presented, develop additional facts, identify (where possible) the employee in question and determine what actually occurred.</p> <p>Step Three – If the complaint has merit, Manager, West Alabama Public Transportation will counsel the appropriate employee and take the appropriate progressive disciplinary steps.</p> <p>Step Four – Where applicable, Manager, West Alabama Public Transportation will respond to the individual filing the complaint within fifteen (15) business days. Depending on the desires of the individual and the nature of the complaint, this response may be either a telephone call (sufficiently documented) or a written response.</p> <p>Step Five – For any egregious complaint, Manager, West Alabama Public Transportation will advise the Chief Executive Officer, West Alabama Public Transportation. A joint decision may be made to accelerate the disciplinary process or take other extraordinary actions to resolve the complaint.</p> <p>Step Six – If the member of the public is not satisfied with actions taken locally or if they demand further action, these unresolved complaints will be referred to the Public Transportation Section of the Bureau of Multimodal Transportation, ALDOT in Montgomery. We will freely and promptly provide names, telephone numbers and addresses.</p> <p>Mr. Joe Nix                      Senior Transportation Planner                      Alabama Department of Transportation                      Bureau of Transportation Planning and Modal Programs                      1100 John Overton Drive                      Montgomery, Alabama 36110                      VOICE: (334) 353-6421                      FAX: (334) 353-6451                      E-MAIL: <a href="mailto:nixj@dot.state.al.us">nixj@dot.state.al.us</a></p> <p>Step Seven – If the member of the public is not satisfied with actions taken by the state, they may contact the Federal Transit Administration Office of Civil Rights Officer in Washington, DC. We will freely and promptly provide names, telephone numbers and addresses.</p> <p>Federal Transit Administration Office of Civil Rights                      Attention: Title VI Program Coordinator                      East Building, 5th Floor - TCR                      1200 New Jersey Ave., SE                      Washington, DC 20590</p> <p>Step Eight – Executive Director, West Alabama Public Transportation shall maintain a log of Title VI complaints received. The log shall include the date the complaint was filed, a summary of the allegations; the status of the complaint; and actions taken in response to the complaint.</p> <p>The entire issue of complaint resolution, whether it is one of our employees or a member of the public, is one of courtesy and common sense. We serve the public and they have a right to share their concerns with us. We will handle all complaints courteously and will not allow ourselves to "argue" about the merits of any complaint. In many instances, individuals merely want "to be heard". We will give them that opportunity.</p>
